ABOUT COMPANY

AARO TECH TRADING and CONTRACTING CO was founded by a team of professionals with extensive experience in Qatar's building materials trading, MEP Services, civil fit-outs, and MEP works. Over the years, the team has gained valuable insights into market dynamics, emerging trends, and the latest technologies across the sectors.

Our aim at **AARO TECH TRADING and CONTRACTING CO** is to deliver superior quality services that meet and exceed client expectations while manufacturing a sustainable and reasonable profit.

OUR MISSION

Our mission is to deliver exceptional and dependable services by offering premium-quality products and tailored solutions that enhance the safety, functionality, and aesthetics of our clients' projects. We are dedicated to providing a comprehensive range of materials for electrical, plumbing, HVAC, and construction needs, ensuring unparalleled customer satisfaction through superior service, innovative approaches, and prompt delivery.

At **AARO TECH**, we strive to foster long-term partnerships, drive sustainable growth, and consistently surpass client expectations in every project and transaction we undertake.

OUR VISION

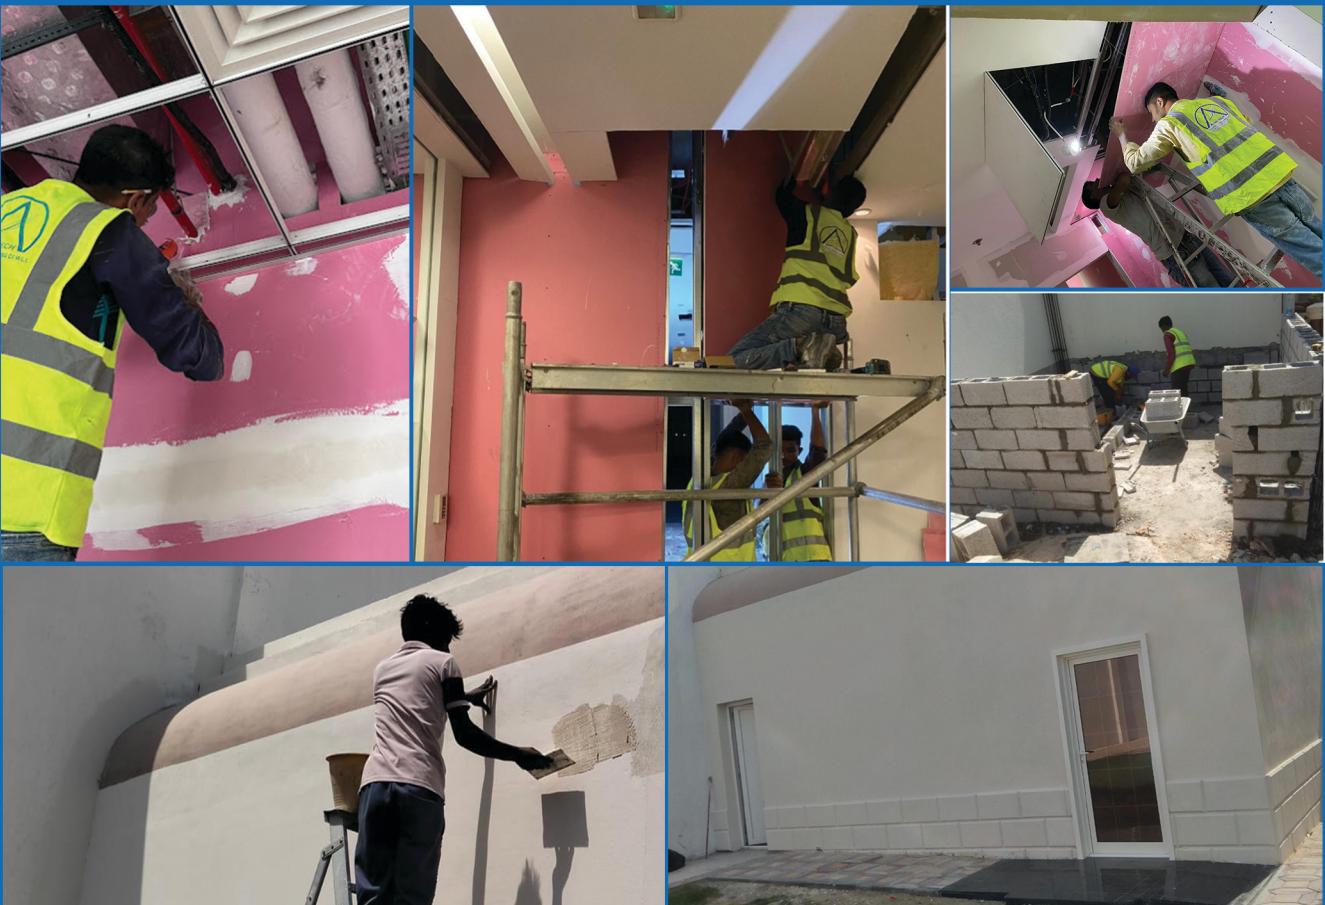

Our vision is to establish ourselves as a market leader by consistently innovating and delivering exceptional value through superior maintenance services and premium product offerings. We are committed to empowering our clients with tailored solutions that optimize their spaces and systems, enhancing performance, ensuring safety, and maximizing cost-efficiency.

CONTRACTING SERVICES

CIVIL FITOUT

We offer comprehensive civil fitout services to transform your spaces into functional, aesthetically pleasing environments.

- Interior and exterior fitouts for homes, offices, and retail spaces
- Excavation, renovations, remodeling, and space optimization.
- Wall finishing, Plastering, painting, and decorative enhancements.
- Gypsum Carpenters, Partition, door and ceiling installation and Water Proofing.

ELECTRICAL MAINTENANCE

Our electrical maintenance services are designed to keep your systems running smoothly and safely.

- Installation and maintenance of lighting, wiring and power systems.
- PVC, GI Conduit and Cable Containment Glanding and Termination.
- DB/SMDB Installation and Glanding, Termination & Power Energized
- Earthing & Bonding System
- Cable Management

AC MAINTENANCE

We ensure your air conditioning systems function optimally, providing comfort and energy efficiency.

- Routine maintenance and cleaning of all kind AC units.
- Supply and Installation of GI Duct, Insulation, Coating and Cladding.

MECHANICAL MAINTENANCE

Our electrical maintenance services are designed to keep your systems running smoothly and safely.

- Servicing of pumps, motors, and compressors.
- Installation of new mechanical equipment.
- PPR/UPVC Pipes installation for hot/cold, Drainages and Sewages
- GI/MS Pipes and Installation for FF and Chilled Water

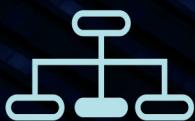

MAN POWER SUPPLY SERVICES

We offer reliable Manpower Supply services, providing skilled labor and technicians across various industries to support your projects.

We ensure that all our manpower is highly trained, experienced, and ready to deliver quality workmanship

Whether you need general labor or specialized technicians for electrical, mechanical, civil, or HVAC work, our team is equipped to meet your demands.

Our flexible staffing solutions help you maintain project timelines and reduce operational costs while ensuring that you have the right expertise onsite when needed.
